

PROJECT DELIVERY AGREEMENT

Between:

Freelancers Srinivas, Akhil, Shailaja, Murthy
and

GAUVA Mobility Services
Hyderabad, Telangana

Date: October 17, 2025

1. Scope of Work

Freelancers Srinivas, Akhil, and Shailaja shall deliver the following enhancements to the GAUVA Mobility App for a fixed total budget of ₹50,000 (fifty thousand rupees, inclusive of all charges):

- App speed optimization
 - App wallet (basic balance visibility)
 - Payment system with UPI support
 - Document submission (driver upload flow, email/screen notification)
 - Reward points (basic accrual, display, non-redeemable)
 - QR code generator for drivers (static QR tied to Firebase UID)
 - Real-time notifications for customer and driver (push for ride/payment status)
 - Pinpoint location accuracy for pickups/drops
 - GAUVA fare values editable/viewable in admin panel
 - Social login (Google, Facebook integration)
-

2. Timeline

- Implementation and delivery: 3 weeks from approved project start
 - Free support and bug-fixes for 45 days after project handover
-

3. Payment Terms

- 80% advance (₹40,000) to start
- 20% (₹10,000) upon completion and mutual acceptance

4. Ownership & Confidentiality

- All source code and assets delivered will belong to GAUVA Mobility Services after full payment.
 - All technical/customer data and project material will remain confidential between the parties.
-

5. Acceptance & Support

- This agreement finalizes scope and payment as above.
 - Any changes, feature additions, or extended support beyond 45 days must be agreed by separate writing and quotation.
-
